4. [REDACTED] In accordance with arrangements made with Representative Philbin, I left with his Administrative Assistant, Clifford Gaucher, Colonel White's letter and supporting papers asking that Mr. Philbin insert a statement in the Congressional Record and send a letter to the Civil Service Commission to clarify the congressional intent in section 5 of S. 4571. Gaucher said Mr. Philbin had not yet returned to Washington, but the Congressman had alerted him to expect this material and Gaucher assured me that they would follow up on this with the assistance of the House Armed Services Committee staff.
